The work of MyFiladelfia is based on the inspired Word of God. Equipping of believers, is done in dependence of His Holy Spirit. MyFiladelfia believes that Jesus Christ still heals! Trust, honesty, liability, transparency, excellence and integrity, form the core of our ministry. MyFiladelfia journeys with students on the road to discipleship, encourage with perseverance, facilitate restored relationships, promote spiritual growth and build partnerships in the ministry. A Biblical counsellor – such as those equipped by MyFiladelfia – is someone who does counselling in accordance with the opinion of the Christian world, supported by the Bible and trusting completely in the working of the Holy Spirit.

God's richest blessings,
The MyFiladelfia team

PASTORAL COUNSELLING AND LIFE SKILLS

MyFiladelfia focuses on aspects which unite the body of Christ and we represent a great variety of denominations. Working closely with other disciplines, support is provided, where needed. Although pastoral counsellors do not diagnose, or treat, mental illnesses, the road of recovery is walked with fellow believers, while they receive healing from His Word and through His Spirit.

DIRECTION AND MENTORSHIP

Empathic relationships are formed, while believers are encouraged and supported to believe in their Godly purpose. The fulfilment of this purpose in the Kingdom, is attained through pastoral care, motivation, mentorship, unconditional love and the practical implementation of the Word of God in their everyday lives.

Please note that MyFiladelfia is not a provider of Private Higher Education in South Africa.

MyFiladelfia gladly takes part in any form of service to the church and community, in order that the message of the Good News of Jesus Christ, can be lived and preached. MyFiladelfia is gladdened by people and organisations, who are passionate about Jesus Christ and therefore gets readily involved in discussions and debates, which are important to MyFiladelfia's ministry, as well as to the expansion of the Kingdom of God.
